

Parking at Ward Hadaway LLP

Parking when visiting Ward Hadaway is free in Sandgate Car Park next to our offices.

If you can send your vehicle registration number in advance to the person you are meeting we can pre-register your car with the Automatic Number Plate Recognition system.

Alternatively, please make sure you bring your vehicle registration number with you to our Sandgate House reception. This must be at the time of your arrival to avoid a penalty notice being issued by the third party who manages parking on the estate.
